EPIC DANCE COSTUME EDITION

A photograph of two people dressed as ghosts in white sheet costumes with two black eye holes each. They are standing outdoors at what appears to be a fair or boardwalk at dusk. The person on the right is holding a vanilla soft-serve ice cream cone. In the background, there are colorful structures, including a bright yellow one, and other people are visible. SEASON 6

# About The Team

At Positive Dance Experience, we believe in a healthy approach to Competitive Dance. Our Competitive Team must train a minimum of 6 Hours/week to be a part of our team, and each team member is required to be enrolled in at least 1 Ballet, Jazz & Contemporary Technique Class per week. Competitive Team members are dedicated individuals to the art of dance, and are looking to expand their opportunities in this sport. The Competitive Team is offered by audition only, and admitted dancers are those who our faculty feel are ready to take the next step in their dance training. Dance is a subjectively adjudicated art form, and therefore it is important that dancers of PDE attend Competitions with the sole purpose of receiving feedback from their adjudicators to improve their growth as a dancer. It is an opportunity to practice courage, teamwork, and to establish, measure and create personal wins. The personal success of the dancer from their experience navigating the process of preparing for a competition, how they respond to nerves and performance, analysis of where they started and what they were able to achieve over the course of the season, are aspects of Competitive Dance that are far more important than the external outcome of 'winning'. At PDE, we feel the process of Competitions are what is worth celebrating as it is those moments that are able to define who a young dancer is becoming as a person.

# Core Classes

All dancers in the Part Time Competitive Division Must Take Ballet, Jazz & Contemporary in Order to Compete, and are enrolled in a minimum of 6 Hours per week and a maximum of 9 hours per week. It is highly recommended that dancers also take a “Barreworks for Dancers class”, or a technique class such as “Jumps & Turns”, “Acro Flexibility”, “Aerials & Tumbling” or “Advanced Acro Skills”.

Dancers must not miss more than 9 classes per term to stay on the team. These classes are in 3 in the Fall, 3 in the Winter and 3 in the Summer. All Dancers and Parents must accept Competitive Team offer and sign a contract before beginning any Competitive Rehearsals in the Summer/Fall.
